

Dear Customer,

This year is Eco-Rent's 15<sup>th</sup> anniversary and to help celebrate, we have designed the perfect souvenir of your holiday with us in Tuscany – a stylish set of cycling jersey and matching shorts.

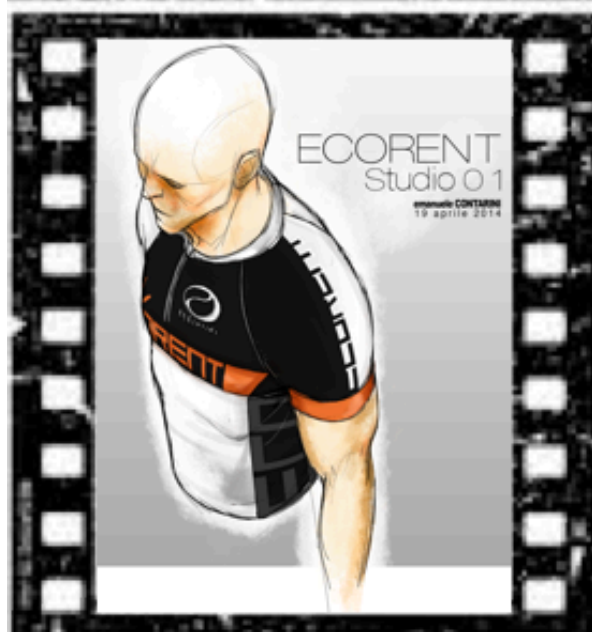

In order to guarantee the highest level of quality, as you would expect from Eco-Rent, we are working with a local manufacturer, [Parentini](#). Parentini, who are located close to Florence have been designing and manufacturing high quality cycle clothing since 1976, so have an impressive pedigree.

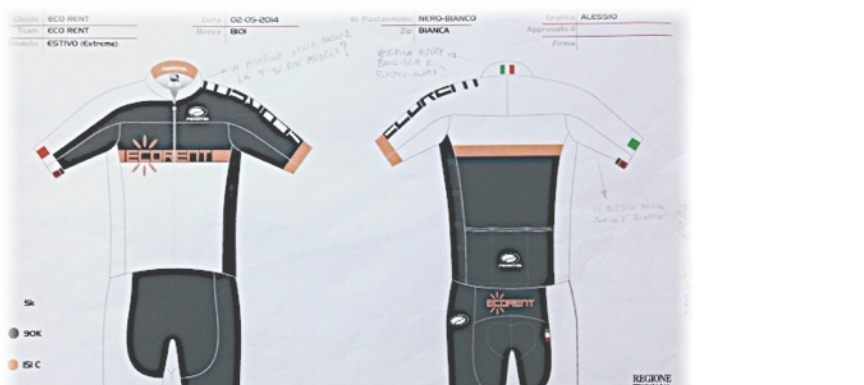

The design of the clothing has been chosen to match the ethos of Eco-Rent - stylish, simple and classy. The short sleeve jersey has a slim fit and has been constructed from the same material as that used by the Danish National Cycling Team. The matching shorts are from Parentini's PRace clothing line and are designed for optimum fit and comfort.

Both jersey and shorts are perfect for a summer trip to Tuscany, a spin class in your local gym or when using a home trainer.

We have added in some images from the designers showing the different processes that we've gone through the design these garments.

Why not complete your biking outfit by purchasing the matching gloves and socks?

If you would like to order the jersey and shorts, please complete all the sections of the booking form below and return it to us. We have included a size guide for the garments to help you.

The price of the Italian made jersey and shorts is €179,00 or with the matching

gloves and socks is €199,00. Both prices include delivery, which would be via courier.
