We are both very tired, and very happy! This b & b is quite beautiful, it's nice to be in the quiet for a change. Hope your night is going well.

Good Morning Braden, [redacted]
all seems fine you've the massage too... yesterday trip was right? Did you've dinner in Hotel yesterday? After tastings (in wine you'll have typical product too-ops the surprise!) I advise to relax in hotel and when will be not too hot 16/17 relax on the beach in Marina di Castagneto 5km to hotel in front of La Zattera bar. Other solution will be to cycle till Bolgheri and visit hamlet or Visit Castagneto and Sassetta still by bike.

The wine was fantastic! We are at the beach and no longer drunk from this morning's festivities.

Cheers!
